2. Purpose of Economy Thematic Group

- 2.1 Argyll and Bute Community Planning Partnership was set up in 2001 to coordinate the delivery of services and other activities in Argyll and Bute to improve the quality of life and physical environment for residents and visitors to the area. The purpose of the Economy TG is to coordinate the activities of the Partnership to ensure that the action plan agreed by the Full Partnership is delivered.

- 3.2 The Economy TG is a sub-group of the Argyll and Bute Community Planning Partnership and is currently referred to as the Economy Thematic Group within the Council's strategic partnership arrangements. The Economy TG will ensure it delivers all requirements as a thematic group of the Argyll and Bute Community Planning Partnership in terms of delivery against Argyll and Bute Community Plan, the SOA, performance management requirements, including risk assessment, national indicators and maintenance of effective links with other Community Planning Partnership thematic groups (Environment TG, Social AffairsTG).
- 3.4 A summary of the roles, responsibilities, accountabilities and membership of the component parts of the governance structure is attached to the Agreement as an appendix. (appendix 1...CPP Partnership agreement?)

4. Leadership

- 4.1 The Local Government of Scotland Act 2003 requires local authorities to take the lead in arrangements for community planning. The Act means all local authority areas have to have a 'Community Planning Partnership'. Councils have a statutory obligation to lead the Partnership: In Argyll and Bute Argyll and Bute along with NHS Highland, Strathclyde Police, Strathclyde Fire and Rescue Highlands and Island Enterprise/Scottish Enterprise/Skills Development Scotland and SPT have a statutory obligation to participate in the Partnership:

In addition, other stakeholder interests can be represented on the Economy TG, by agreement.

- 4.3 In Argyll and Bute, the Elected Member for the Council's Policy and Performance Group (PPG) has been appointed as chair and carries the political accountability for ensuring the Economy TG fulfils its responsibilities. A Lead Officer has been appointed to ensure that CPP arrangements are consulted, established, monitored and changed in order to meet the requirements of the CPP.

5. Accountability of partner organisations and agencies and Performance Management

- 5.1 Each partner organisation and agency represented in the governance arrangements retains their own existing lines of accountability and management control. However, all partners are together responsible for delivering the priorities defined and agreed in the Community Plan and SOA.
- 5.2 Partner organisations and agencies agree to share and review information and intelligence to support robust needs assessment and performance management arrangements within an agreed framework and cycle of monitoring and review at both an Argyll and Bute wide and local level to support the delivery of the Community Plan and SOA. On the basis of performance monitoring, the Economy TG agree actions to address areas of required improvement. The governance arrangements allow the CPP Sub-groups, the CPP Management Committee and ultimately the Full Partnership to monitor the impact of partnership working and will ensure that monitoring arrangements to review actions in the Community Plan and SOA are in place with a focus on outcome and impact.

5.5 Formal performance and risk reporting will be as follows:

- The Economy TG will report to the Argyll and Bute Community Planning Partnership Management Committee on a 2 monthly basis.
- The Economy TG will report to the Argyll and Bute Community Planning Partnership Full Partnership on a 4 monthly basis.

(The performance reports will include feedback from stakeholders and be locality specific where appropriate)

Partner organisations should use the performance reports to inform their own governance arrangements of progress with Economy TG arrangements in Argyll and Bute.

5.6 All members of the Economy TG will ensure that the statutory duties to promote equality and diversity are met through all the functions of TG, for example, in service planning, commissioning and delivery, consultation and procurement. In addition the Economy TG will have due regard to the statutory guidance prohibiting discrimination on the basis of race, gender, sexual orientation, age, religion and belief, pregnancy and maternity and gender reassignment.

6. Statement of values and declaration of interest

6.1 In relation to a possible conflict of interest all Economy TG members must declare any organisational or personal prejudicial interest and not be part of discussion and/or decision making on the service area concerned. This would not normally include interests of a strategic or general professional nature that would contribute to and enrich partnership work. In a situation where there could be a possible conflict of interest members of the TG would be expected to leave the meeting for that item. The rule is, ‘when in doubt declare openly and leave immediately’.

7. Membership of the Economy TG

7.1 Membership criteria - representatives must have a strategic role within their organisation/agency, and be of sufficient seniority to enable them to:

- Speak for their agency with authority;
- Commit their agency on service development and practice matters;
- Influence the development of their agency’s practices;
- Ensure that the CPP is represented in agency decision-making regarding resources; and
- Contribute to the development of robust and effective monitoring and performance functions.

In attendance indicates those representatives, mainly local authority officers, who undertake leadership roles within the governance structure and/or are sitting in an advisory capacity.

7.3 Duties of Members

Voting should also be understood in the context of the Council's statutory function in discharging local political and democratic accountability. However, if a vote is required, Core and Non Core Members of the Economy TG have a vote. Where there is more than one representative from a specific partner it is the organisation that has the one vote and not the number of representatives. In a situation where the vote is tied the Chair has the casting vote.

Constitution and Partnership Agreement

1 INTRODUCTION

- 1.1. Effective community partnership working is essential if we are to deliver local outcomes within the new national framework. This document enables us, as a partnership, to demonstrate our commitment to the continuous improvement and effective delivery of Community Planning in Argyll and Bute.
- 1.2. The need to demonstrate how partners work together to achieve common outcomes places a responsibility on partners to effectively integrate their different contributions and deliver a multi-agency approach to planning improved service delivery. We also need to demonstrate that communities are effectively engaged in the community planning process – that they are influencing how services are planned and delivered.
- 1.3. The Local Government in Scotland Act (2003) places a statutory duty on Councils to lead and facilitate Community Planning. There is also a corresponding duty on a range of partners to participate locally.
- 1.4. Argyll and Bute Council is required to ensure financial accountability as the recipient of grants and other community planning funding streams.

2 COMMUNITY PLANNING IN ARGYLL AND BUTE

- 2.1. The Argyll and Bute Community Plan is acknowledged as the guiding document for strategic planning by all partners. The Plan sets out the vision for Argyll and Bute to be the Leading Rural Area.
- 2.2. Community Planning partners have also developed the Argyll and Bute Single Outcome Agreement (SOA). The SOA details short and medium term outcomes that the partners will deliver to enable progress towards the longer term vision set out in the Community Plan.
- 2.3. The Single Outcome Agreement is *“the means by which CPPs agree their strategic priorities for their local area and express those priorities as outcomes to be delivered by the partners, either individually or jointly, while showing how those outcomes should contribute to the Scottish Government’s relevant National Outcomes.”* (SOA Guidance for CPPs, IS 2008)
- 2.4. SOA and community plan outcomes will be:

- Directed towards the achievement of the Leading Rural Area vision (detailed below)
- evidence based
- specific, measurable and costed to enable effective performance management

To support, and encourage effective collaboration and co-ordination between and within community based organisations operating in the local area. To give effect to the Community Engagement Strategy at a local level. We will encourage involvement by people from hard to reach and seldom heard groups, including people with disabilities, different ethnic backgrounds, different genders, beliefs and sexual orientations.
- **Strategic partnerships** – Comprising relevant stakeholders, this small number of partnerships are focused on the key strategic issues for the area. Their remit is strongly focused on the outcomes in the Single Outcome Agreement

- 3.3. Further details of these groups in terms of membership, terms of reference and meeting arrangements are detailed in the appendix.
- 3.4. These groups are complemented by **Time Limited Groups** comprising relevant CPP partners with a designated lead. Time limited working groups are formed to address specific issues and make recommendations to the Management Committee or other strategic partnership.
- 3.5. **Conference** – An annual Community Planning conference enables all partners to participate in an information sharing and consultation event. The conference brings community representatives, young people, hard to reach groups and CPP partners together to share good practice and influence the direction of community planning in Argyll and Bute.

4 ENGAGING THE COMMUNITY

- 4.1. The Argyll and Bute CPP has developed a Community Engagement Strategy to engage with stakeholders. Performance will be monitored by the Management Committee.

- 4.3. The Community Engagement Action Plan outlines the activities supported through the CPP
- 4.4. Communications are managed as a subset of actions within the Community Planning Action Plan. Activities will be coordinated by the Council's Communications Team through regular liaison with the managers responsible for communications in each of the partner organisations.

5 PLANNING AND PERFORMANCE MANAGEMENT FRAMEWORK

- 5.1. High level aims within the Community Plan are translated into priorities which influence the corporate plans of the CPP partners. Relevant partner and community planning priorities will form the main content of the Single Outcome Agreement (SOA).
- 5.2. Performance against the Community Plan and SOA will be appraised by each partner monitoring its own performance with details on key success measures shared to enable effective overview of performance. The performance overview will be reported using performance scorecards compiled by the Council on behalf of the CPP and monitored by the Management Committee, thematic groups and local area planning groups.
- 5.3. Different tiers of the Community Planning Partnership will receive performance reports as follows:
 - Management Committee: will monitor all outcomes/actions within the Community Plan. The committee will also monitor the outcomes in the SOA relevant to Community Planning Partners.

6 RISK MANAGEMENT

- 6.2. The CPP has a joint risk register built on relevant strategic risks from partners and more general strategic risks that affect the partnership as a whole (e.g. economic and social risks).
- 6.3. Risks are assessed using the standard methodology of separate assessments of likelihood and impact combined to form an overall assessment of whether a risk is high, medium or low. Mitigation measures are then detailed and monitored as appropriate. Risks are reviewed on a regular cycle dependent that is determined by the overall risk rating (i.e. higher risks are reviewed more often).

7 PARTICIPATION IN CPP AND STRATEGIC PARTNERSHIPS

- 7.1. CPP partners have responsibility for defining arrangements for Community Planning within their organisation.
- 7.2. It is the responsibility of the individual organisations to ensure appropriate representation at all levels and to demonstrate how they contribute to the implementation of the Community Plan and the Single Outcome Agreement
- 7.3. CPP partners have the responsibility to disseminate relevant Community Planning information to other strategic and operational partnerships in which they participate.
- 7.4. CPP partners are not expected to be responsible for the actions of other partners, but the joint commitment to the CPP implies that each partner will act in the interests of the CPP and other partners. They also have the duty to bring to the CPP any issues arising in other strategic or operational partnerships that affect the CPP.
