

**INVERARAY COMMUNITY COUNCIL**  
**CLACHAN FLATS WINDFARM TRUST (INVERARAY)**  
**Application for Capital and/or Revenue Grants**

**Date of Application:** 15<sup>th</sup> March 2018

**Society/Organisation Name:** Inveraray Community Council

**Address if different from contact:**

**Contact Name:** Janet Riddoch

**Contact Address:** Achnatra, Inveraray, PA32 8XQ

**Contact Email:** jsriddoch@aol.com

**Official Position:** Treasurer

**Description of Project or Funding Required:** Tarring of the top end of the Avenue – providing smoother access from housing scheme to Avenue Car Park, especially for wheel chair users, mobility scooters, prams etc. The path unfortunately is in a No Man's Land and whilst the owner of the land does not wish to improve that section as they have no obligation to, they are happy for the Community Council to take on the work. And as the land does not belong to the council they will not touch it, even though there is no pavement access from the housing scheme (where ACHA have build flats for wheelchair users) to the car park/local shops. It is something that is long overdue for the residents of Inveraray

**Estimated total cost of Project or amount of Funding required:** £10,956 – though this may be reduced nearer the time if fund raising is agreed upon. We would like to ask for initially £7,564.29 to use the remaining Windfarm Trust money, and then seek further monies from 2018 Windfarm money

**Other Funding:** Have you made application for or received financial assistance towards the cost of this project from any other source? If "no" please explain why you have not applied elsewhere. If Yes give details below:
