3. MINUTES

(a) Oban, Lorn and the Isles Community Planning Group 7 February 2024

The Minutes of the Oban, Lorn and the Isles Area Community Planning Group meeting held on Tuesday 7 February 2024 were approved as a correct record.

Having noted the commitments of those in attendance, the Chair agreed to vary the order of business. This Minute reflects the order in which discussions took place.

4. APPOINTMENT OF CHAIR OF THE OBAN, LORN AND THE ISLES AREA COMMUNITY PLANNING GROUP

The Group gave consideration to a report providing information relating to the appointment of Chair of the Oban, Lorn and the Isles Area Community Planning Group and outlined the expected time commitment and information on the role.

The Vice-Chair Colin Buchanan advised that he would be happy to stand for this position and with there being no other nominations, this became the decision of the group.

The Committee Manager advised that due to Colin's new position, a report would be considered at the next meeting seeking nominations to the Vice-Chair position. The Committee Manager encouraged partners to consider whether this was a role that they would be interested in fulfilling and if so to please contact him for further details.

Decision

The Oban, Lorn and the Isles Area Community Planning Group agreed that Colin Buchanan be appointed as Chair.

5. COMMUNITY PLANNING PARTNERSHIP MANAGEMENT COMMITTEE UPDATE

The Group gave consideration to a report which outlined matters discussed during a meeting of the Community Planning Partnership (CPP) Management Committee held on 10 April 2024.

Stuart McLean, Committee Manager advised of a proposed new governance structure for the Community Planning Partnership to assist in delivering actions from the Argyll and Bute Outcomes Improvement Plan (ABOIP); updates to the Transport Infrastructure, Housing and Community Wellbeing ABOIP outcomes; and progress with relevant projects, including an update to the Terms of Reference for the Climate Change Working Group.

Rona Gold, Community Planning Manager, provided clarification in relation to discussions about the governance structure of the Community Planning Partnership, having noted some disagreements with the proposals expressed at the Management Committee meeting and within a report that featured on the agenda for this meeting. It was highlighted that no decisions had been made in relation to this matter and partners would be working together to ensure that the meetings taking place were meaningful, and allowed as much time and resource as possible for action and progress on the ABOIP outcomes. It was noted that a development session with CPP partners would be held in June, and details of this session would be circulated to relevant partners in due course.

Decision

The Oban, Lorn and the Isles Area Community Planning Group considered and noted the contents of the report.

7. ARGYLL AND BUTE HEALTH AND SOCIAL CARE PARTNERSHIP - PUBLIC HEALTH

(a) The Annual Report of the Director of Public Health 2023 (NHS Highland): Medication & Public Health: Do the Right Thing

Consideration was given to a public health update from NHS Highland. The update focussed on The Annual Report of the Director of Public Health 2023 (NHS Highland): 'Medication & Public Health – Do the Right Thing. The report examined public health challenges and the benefits and drawback of prescribed medicines, with a focus on escalating levels of pharmacotherapy and its impacts on both individuals, and the population and their environment, including the rise of antibiotic resistance and the environmental pollution caused by medicines.

The report also provided information on the following key issues: The Environment: How medication can make out environment sicker; Hepatitis C: How medication is transforming treatment and prevention; Social Prescribing: How an alternative to medication can work; and Prescriptions for Pain: How medication can have long-lasting effects on public health. A case study regarding how medication and other measures can work together to improve health was also considered.

Decision

The Oban, Lorn and the Isles Area Community Planning Group considered and noted the information provided.

11. COMMUNITY WEALTH BUILDING IN ARGYLL AND BUTE - A FRAMEWORK FOR ACTION

Consideration was given to a report and presentation in relation to Community Wealth Building. The report confirmed that the Community Planning Partnership Management Committee formally received the Community Wealth Building report commissioned in 2023 at its meeting of 10th April 2024. It was highlighted that the recommendations in the report were categorised in five sections: spending; workforce; inclusive ownership; finance; and land and property.

It was noted that the Community Planning Partnership had requested that Area Community Planning Group provide feedback in relation to the implementation and priority actions identified in the report and appendices.

Decision

The Oban, Lorn and the Isles Area Community Planning Group:

1. noted that a steering group of CPP partners oversaw the delivery and production of the two reports at Appendix 1 and 2;
2. agreed to forward any comments on implementation and priority actions within the final report Community Wealth Building in Argyll and Bute: A framework for action at appendix 1 following the meeting to the Committee Manager to pass to the CEO, Argyll and Bute Third Sector Interface for consideration and action as appropriate; and
3. agreed to forward any comments on the implementation and priority actions within the two 'Models of Opportunity' at appendix 2 following the meeting to the Committee Manager to pass to the CEO, Argyll and Bute Third Sector Interface for consideration and action as appropriate.
