

ANTI FRAUD STRATEGY

1. SUMMARY

1.1 This report updates the Committee on progress with this matter.

2. RECOMMENDATIONS

2.1 To note the revised timescale for the updating of the Strategy.

3. DETAIL

3.1 The updating of the Anti Fraud Strategy policy is the final element of the revision of the Council Constitution. The strategy deals with arrangements to protect the Council against fraud and corruption.

3.2 The original intention had been to complete this review by March 2010 but due to pressure of other business the timescale to undertake this review has been altered to 31 July 2010.

3.3 The strategy will take account of best practice and other developments since it was last updated.
