Note:

- Subject to Ministerial approval, the Care Inspectorate, in partnership with the Association of Directors of Social Work (ADSW) and the Risk Management Authority (RMA), will undertake supported self-evaluation across the 32 local authority criminal justice social work services during the latter part of 2013. This will look at the impact of the Level of Service Case Management Inventory (LSCMI), otherwise known as the national assessment and care planning instrument. This particular approach is one of a number of approaches the Care Inspectorate will use in its current and future scrutiny and improvement work in this area.
