Corporate Plan

CORPORATE PLAN (2018–2022)

The landscape in which we deliver our services is changing. We must transform how we work so that we can deliver the services our communities need and the prosperity the future of Argyll and Bute depends upon.

We have considerable challenges to meet – declining funding for our services, economic dependence on the public sector, and an aging population.

Argyll and Bute however is recognised as one of Scotland's most promising regions, and we are ambitious for our future and for the future of our young people in Argyll and Bute.

Prosperity is here to be achieved and this Corporate Plan sets out clearly how we will deliver on that shared ambition with our partners.

Our values underpin all that we do and we are proud to have a workforce that is Caring, Committed, Collaborative and Creative. These values give us a sound basis to achieve the transformation that will ensure we meet the challenges of the future and deliver the quality services that our communities and citizens deserve.

1.0 Our Vision

Argyll and Bute is an area of Scotland with outstanding places, people and potential for a prosperous future for everyone. Our Council, along with our Community Planning Partners, is committed to ensuring that

Argyll and Bute's Economic Success is built on a Growing Population

2.0 Our Mission

We will deliver our 6 outcomes and make Argyll and Bute a place people choose to Live, Learn, Work and Do Business

- · Our Economy is diverse and thriving
- · We have an infrastructure that supports sustainable growth
- · Education skills and training maximise opportunities for all
- · Children and young people have the best possible start
- People live active, healthier and independent lives
- · People will live in safer and stronger communities

Corporate Health and Safety Policy Statement.

1. Corporate Health and Safety Policy Statement

- 1.1 Argyll and Bute Council recognises that people are its most important asset and that their health and safety is central to successfully achieving our vision of realising our potential together.
- 1.2 Argyll and Bute Council will do all that is reasonably practicable to ensure the health, safety and welfare of its employees at work and the health and safety of those affected by its undertakings.
- 1.3 Responsibility rests with the Chief Executive who discharges these duties through the Executive Directors and all Council staff. This policy will be modified when appropriate and reviewed every three years.
- 1.4 The Council:
 - a) Will foster and maintain a positive health and safety culture which secures the commitment of all employees, making it clear to managers that there can be no conflict between health and safety and the demands of the job
 - b) Is committed to control the risks arising from its work activities at the planning stage, including those undertaken by others on its behalf.
 - c) Will provide adequate resources, in terms of finance, superv1s1on, staff numbers, materials and equipment to enable employees to perform all work activities safely
 - Recognises the duty of management to ensure that all processes and services are designed to take account of health and safety
 - e) Recognises that managers must regularly supervise, monitor and review work to ensure health and safety standards are maintained
 - f) Is committed to minimise the possibility of incidents and accidents occurring and where they do, take appropriate action to prevent similar events occurring in the future
 - g) Communicates and consults with employees on health and safety

Signed: Sarce

Employers Liability Insurance Certificate.

Certificate of Employers' Liability Insurance (a)

(Where required by regulation 5 of the Employers' Liability (Compulsory Insurance) Regulations 2008 (the Regulations), a copy of this certificate must be displayed at all places where you employ persons covered by the policy or an electronic copy of the certificate must be retained and be reasonably accessible to each employee to whom it relates).

Policy Number	QLA-06U001-0043
1. Name of policyholder	Argyll and Bute Council and Live Argyll
2. Date of commencement of insurance policy	01 April 2022
3. Date of expiry of insurance policy	31 March 2023

We hereby certify that subject to paragraph 2:

- The policy to which this certificate relates satisfies the requirements of the relevant law applicable in Great Britain, Northern Ireland, the Isle of Man, the Island of Jersey, the Island of Guernsey and the Island of Alderney (b).
- 2. (a) the minimum amount of cover provided by this policy is no less than £5 million (c).

Signed on behalf of Zurich Insurance plc (Authorised Insurer)

Tim Bi

Tim Bailey Chief Executive Officer of Zurich Insurance plc, UK Branch

Notes

- (a) Where the employer is a company to which regulation 3(2) of the Regulations applies, the certificate shall state in a prominent place, either that the policy covers the holding company and all its subsidiaries, or that the policy covers the holding company and all its subsidiaries except any specifically excluded by name, or that the policy covers the holding company and only the named subsidiaries.
- (b) Specify applicable law as provided for in regulation 4(6) of the Regulations.
- (c) See regulation 3(1) of the Regulations and delete whichever of paragraphs 2(a) or 2(b) does not apply. Where 2(b) is applicable, specify the amount of cover provided by the relevant policy.

Zurich Municipal is a trading name of Zurich Insurance plc, a public limited company incorporated in Ireland Registration No. 13460 Registered Office: Zurich House, Ballsbridge Park, Dublin 4, Ireland UK Branch registered in England and Wales Registration No. BR7985. GOODS VEHICLE OPERATOR'S LICENCE

THIS LICENCE MUST NOT BE ALTERED OR DEFACED IN ANY WAY

Issued to:

ARGYLL & BUTE COUNCIL DEVELOPMENT & INFRASTRUCTURE SERVICES FLEET MANGEMENT 1A MANSE BRAE LOCHGILPHEAD PA31 8RD

Office of the Traffic Commissioner Scotland Level 6, the Stamp Office 10 Waterloo Place Edinburgh EH1 3EG 0300 123 9000

Goods Vehicle Standard National

Licence number: OM0011811 NOT TRANSFERABLE

This licence is in force from:

01/09/1993

Issued by:

This licence will continue for as long as you continue to meet its terms. However, it will come to an end if you do not pay the necessary continuation fee by the date required. The licence may also face regulatory action including revocation if you operate outside its terms. You have paid for an initial period of five years, which starts with the date the licence was issued. The continuation fee must be paid before the end of the month before that five year period comes to an end and every five years after that. Please see note 1 for further details.

This document is an operator's licence issued under the Goods Vehicles (Licensing of Operators) Act 1995 (the Act). The undertakings recorded in this licence have been given by the licence holder and are considered to be material to the grant of the licence. In the case of a licence first issued before 1 January 1996, the recorded undertakings include statements of intent made by the operator.

The maximum number of motor vehicles and trailers authorised in accordance with section 6 of the Act is:

Motor vehicles

31 July 2009

Dear Sir

POLLUTION PREVENTION AND CONTROL ACT 1999 POLLUTION PREVENTION AND CONTROL (SCOTLAND) REGULATIONS 2000 ("the Regulations") APPLICATION BY: ARGYLL AND BUTE COUNCIL SITE: GARTBRECK LANDFILL SITE, BOWMORE, ISLE OF ISLAY ACTIVITY: LANDFILL SITE PERMIT REFERENCE NUMBER: PPC/A/1025163

Further to your application for a permit under regulation 7 of the Regulations, I enclose your Permit.

Should you be unhappy with any of the conditions attached you have the right to appeal to the Scottish Ministers providing the conditions have not been applied as a result of a Direction to SEPA from Scottish Ministers. The procedures to be followed in the event of any appeal are set out in Regulation 22 and Schedule 8 to the Regulations. Your appeal must be made in writing to the Scottish Ministers no later than 31 January 2010 in accordance with the procedures specified in Schedule 8 of the above Regulations. A guidance note is attached to this letter for your assistance.

Particular attention should also be paid to the Explanatory Notes attached to the Permit

If you have any queries relating to this letter please contact Tony Thatcher at our Lochgilphead office, telephone 01546 602876.

Yours faithfully

MANDY FRASER SENIOR REGISTRY OFFICER 6 3 / 19 2023

Waste Management Permit for Glengorm Landfill Site, Isle of Mull.

Permit Number: PPC/A/1022141

SCOTTISH ENVIRONMENT PROTECTION AGENCY

Pollution Prevention and Control Act 1999

Pollution Prevention and Control (Scotland) Regulations 2000 ("the Regulations")

PERMIT TO OPERATE A 'PART A' INSTALLATION

Permit Number: PPC/A/1022141

Operator:

Argyll and Bute Council Kilmory Lochgilphead Argyll PA31 8RT

The Scottish Environment Protection Agency ("SEPA"), in accordance with Regulation 7 of the Regulations, hereby grants a permit to Argyll and Bute Council, of Kilmory, Lochgilphead, Argyll, PA31 8RT ("the Operator") to operate an installation, more particularly described in Schedule 1 of this permit, on a site at Glengorm Landfill Site, Glengorm Road, Tobermory, Isle of Mull more particularly described in said Schedule 1, subject to the requirements of the Regulations and to the conditions extension in the Schedules to this permit. contained in the Schedules to this Permit.

Alu Signed.. Authorised to sign on behalf of the Scottish Environment Protection Agency

Date: 10 October 2008

Right of Appeal Under Regulation 22 of the Regulations you are entitled to appeal to the Scottish Ministers against any condition or conditions of this Permit within six months of the date of this Permit, except where SEPA has granted this Permit in implementation of a direction to SEPA of the Scottish Ministers. The bringing of an appeal will not have the effect of suspending the operation of the said condition or conditions. The procedures for the making of an appeal are set out in Schedule 8 of the Regulations. for the making of an appeal are set out in Schedule 8 of the Regulations.

#abplace2b

Waste Management Permit for Dalinlongart Landfill Site, Dunoon.

SCOTTISH ENVIRONMENT PROTECTION AGENCY

Pollution Prevention and Control Act 1999

Pollution Prevention and Control (Scotland) Regulations 2000 ("the Regulations")

PERMIT TO OPERATE A 'PART A' INSTALLATION (CONSOLIDATED)

Permit Number: PPC/A/1004280

Operator: Shanks Argyll & Bute Limited 16 Charlotte Square Edinburgh EH2 4DF

The Scottish Environment Protection Agency ("SEPA"), in exercise of its powers under Regulation 7(10) of the Regulations, has decided to consolidate Permit PPC/A/1004280 (as Varied by VN01) and hereby replaces those Permits with this consolidated Permit issued to Shanks Argyll & Bute Limited company registration number SC211187, having its registered office at 16 Charlotte Square, Edinburgh, EH2 4DF ("the Operator") to operate an installation, more particularly described in Schedule 1 of this Permit, on a site at Dalinlongart Landfill and Compost Site, Sandbank, Dunoon, more particularly described in said Schedule 1, subject to the requirements of the Regulations and to the conditions contained in the Schedules to this Permit.

With effect from the date below this Permit replaces Permit PPC/A/1004280 (as Varied by VN01).

Authorised to sign on behalf of the Scottish Environment Protection Agency Date: 25 February 2014

Signed

Right of Appeal

There is no right of appeal against the conditions of a Permit consolidated under Regulation 7(10) of the Regulations however this does not affect any existing right of appeal against any variation notice relating to the Permit(s) being replaced. For the avoidance of doubt the Permit is consolidated subject to the same conditions as the Permit(s) being replaced.

Further Information

Waste Data Information

The Scotland's Environment Waste Discover Data tool presents waste from all sources, i.e. from households, the construction and demolition sector, and from commerce and industry. The tool shows a break-down of waste types from 2011 onwards and the trend for Scottish waste landfilled since 2005. All data can be exported to Excel if required.

https://www.sepa.org.uk/environment/waste/waste-data/waste-data-reporting/wastedata-for-scotland/

WasteDataFlow is the web based system for municipal waste data reporting by UK local authorities to government. Members of organisations or the public can register <u>here</u> to access published data.

https://www.wastedataflow.org/

What Happens to My Recyclate

By recycling more, we're helping Scotland meet its ambitious target of recycling 70% of all waste by 2025. As we recycling more we are helping to reduce carbon emissions and tackle climate change - it takes less energy to make recycled products than using raw materials. Here's how to check all the things you can <u>put in your recycling</u>. But what happens to the plastic, tins, card, and paper once your recycling is lifted?

Our short video explains the journey your recycling takes when it leaves your home through being sorted and being made ready to become a new product at a reprocessing plant.

What happens to your recycling? (argyll-bute.gov.uk)

Argyll and Bute Council Terms and Conditions

Argyll Bute COUNCIL

COMMERCIAL WASTE SERVICES - TERMS AND CONDITIONS (2020/21 version 1.0)

1. CUSTOMER

Argyll and Bute Council (The Council) Terms and Conditions define the 'Customer' as the occupier of the premises which has requested the Council to collect commercial waste from the premises. The Council will collect the commercial waste from the premises subject to the Customer complying fully with the following terms and conditions:

SERVICE AND CHARGES

The Customer shall place the commercial waste into wheeled bins in accordance with the requirements of the Council's kerbside recycling bin service.

- (a) The Customer shall specify the level of service they require to the Council at the commencement of the contract. The Customer acknowledges that the contract between the Council and the Customer shall subsist from the date on which the Customer requests the Council collect the commercial waste from the premises until the following 31st March, and twelve monthly thereafter.
- (b) The Council will issue an invoice to the Customer in respect of the charge for the collection and disposal of the commercial waste for the full twelve month period, or for the period to the following 31st March from the date that the contract is entered into, as appropriate. A Council invoice or Direct Debit advance notice and waste transfer note will be issued annually covering the period 1st April to 31st March or after any changes to service. The Customer shall, within 21 days of the date of issue of the invoice, pay to the Council the charge for the collection and disposal of the commercial waste. The charge may be paid to the Council by the Customer by such means as is advised on the invoice. The Council may commence proceedings for recovery of the charge with immediate effect if payment is not timeously received.

All waste collected and disposed of by the Council shall be charged to the Customer at the rates current at the time of such collection and disposal as detailed on the Council's web site and are inclusive of landfill tax at current rates.

Contracts are, as standard, entered into for the provision of a waste collection and disposal service by the Council on an annual basis. A part year service can be provided on request provided that the period of service requested is of no less than one whole quarter comprising the months; of April to June; July to September; October to December; or January to March.

2. VAT

The Customer accepts that the Council is obliged by HM Revenue and Customs to apply standard VAT charges where applicable i.e. private waste contracts with council acting as a sub-contractor. This tax can be increased or decreased in any future budget by Scottish government amending the rates and

Date January 2020

Commercial Waste Terms and Conditions

Version 1.0

settling the implementation date. The Customer accepts that this element of the charge may be subject to change by government.

3. LANDFILL TAX

The Customer accepts that the Council is obliged to recover all tax due to Customs and Excise for waste which is landfilled and the tax element is a component of the charge paid by the Customer to the Council for the collection and disposal of commercial waste. This tax can be increased at any future budget with the Chancellor settling levels and commencement date. The Customer accepts that this element of the charge may be subject to change by government.

4. COLLECTION DAY(s)

The Council shall advise the Customer of the day(s) of collections. Permanent changes to collection dates can be made following the Council giving 30 days notice in writing to the Customer.

- 5. CUSTOMER RESPONSIBILITIES
- (a) The Customer shall be responsible for the supply and provision of a wheeled bin(s) of such capacity to allow compliance with the "Duty of Care" (see Duty of Care A Code of Practice. <u>https://www2.gov.scot/resource/0040/00404095.pdf</u>.) Unable to open this link. The Customer shall ensure that waste is placed for uplift in appropriate bin(s), with the lid closed, and positioned at the edge of the foot pavement or at the nearest agreed point on the collection route. The Customer shall avoid excessive compaction of waste which may pose problems when bins are being emptied. Bins must be placed out for collection by 6.00am on collection day. If the Customer misses a collection and wishes their waste to be uplifted prior to the next agreed collection day, there may be an additional charge applied assuming such a collection can be accommodated, this would be at the Council's discretion. Bins should be presented to the kerbside on the agreed day(s) with the handles facing outwards towards the road.
- (b) The Customer shall keep wheeled bin(s) in a safe and clean condition. The Council may refuse to handle any wheeled bin not in such a condition.
- (c) The Customer shall, as soon as practicable after collection, remove the wheeled bin(s) from the collection point and return them to their premises in order to avoid any possible danger or nuisance to the general public.
- (d) The Customer shall attach and display a valid Argyll and Bute commercial waste sticker to each bin in order to ensure collection. If there is no sticker present the Council will not uplift the bin/s. Stickers may be obtained by the Customer from the Council. (should we not list which dept to contact here?)
- (e) The Customer shall ensure that the lids are closed on all bins presented for collection. Any wheeled bin with an open lid, due to overfilling of refuse / recyclate within, will not be uplifted by the Council. No excess refuse (i.e. refuse presented for collection out with the bin) will be uplifted by the Council unless by prior arrangement and only in extreme circumstances.
- (f) Customers shall segregate recyclates (currently paper, envelopes, cardboard, food tins and drinks cans, aerosol cans, plastic bottles/pots/tubs/trays, cardboard based food and drinks cartons (Tetrapaks) and must use the recycling bin which the council can provide, to secure their division from landfill.
- (g) The Customer shall ensure that their residual bins do not contain any specified recyclable materials. Residual bins will NOT be uplifted by the Council if they contain any such specified recyclable materials.

Date January 2020

Commercial Waste Terms and Conditions

Version 1.0

- (h) The Customer must ensure that only specified recyclable materials are deposited in the recycling bin. A contaminated recycling bin will NOT be collected. The Council will apply a notification to a recycling bin to alert customers of a contamination problem.
- (i) The Customer will be responsible for ensuring that any contamination to their recycling bin is removed before the bin(s) will be uplifted.
- (j) The Customer must ensure that no Industrial Waste, Hazardous Waste, Special Waste or Animal-byproducts are put into any bins for collection. These wastes cannot be accepted for collection by the Council.
- (k) The Customer shall free and relieve the Council from all claims for loss, injury or damage arising from or in connection with the Customers negligence in dealing with the bins/waste or breach of the terms and conditions.

6. ENTRY TO PREMISES

The Council's employees shall not, unless specifically instructed to do so by the Council, enter any premises for the purposes of collecting commercial waste or returning empty wheeled bins or receptacles. The Council accepts no responsibility or liability whatsoever for any claims in respect of loss, injury or damage occasioned by any employees of the Council so doing unless due to negligence on the part of these employees.

7. TERMINATION OF SERVICE

- (a) The Council reserves the right to amend the commercial waste collection service it provides to the Customer subject to thirty days prior notice of the proposed change being intimated in writing to the Customer.
- (b) The Customer shall give thirty days notice to the Council in writing immediately it desires to discontinue or vary the commercial waste collection service provided to it by the Council. Failing notice having been given by the Customer in accordance with this clause, notwithstanding that no waste is placed out for collection, the Council shall continue to deliver the service and the Customer shall continue to be liable for charges in respect of the same. Requested changes will apply on 1st day of the month with admin discretion to apply 30 day notice period.

8. PUBLIC HOLIDAYS

Collection of waste shall not ordinarily be undertaken by the Council on the following statutory and other holidays, Christmas Day, Boxing Day, New Year's Day and 2nd January.

9. EMERGENCY SITUATIONS

The Council expressly reserves the right to withdraw the waste collection service without notice in the event of war or other emergency, civil commotions, riot strikes, adverse weather conditions, machinery failure or other circumstances out with its control. No refund of charges will be given to the Customer by the Council in the event of the loss of service for the reasons detailed. The Council will take all practical measures, as soon as it is deemed safe to do so, to catch up with any outstanding collections in the event of any of the circumstances mentioned.

10. COMMERCIAL BINS

The Customer shall only use grey bins for general waste commercial waste products and blue bins for recycling. Where service is available for glass and food waste, separate bins will be provided on loan to

Date January 2020

Commercial Waste Terms and Conditions

Version 1.0

Customers by the Council. IMPORTANT the Council only provide glass and food services in areas where it is viable to do so, not all areas will be offered this service. Blue bins will also be provided on loan to customers for recyclable waste. Grey bins must be provided by commercial customers. Customers can purchase grey bins directly from the Council (other suppliers are available for these products). Delivery of new bin purchases can take a number of weeks as these are dependent on external supply chains, this is unfortunately out with the Council's control. Only when all bins are in situ at the Customers premises can service begin. Should a Customer initiate a contract prior to appropriate bins being in place, charges may be applied for this service. IMPORTANT, customers should ensure they have appropriate bin(s) in location prior to ordering collection service.

Bins should be presented to the kerbside on the agreed day(s) with the handles facing outwards towards the road.

11. BED AND BREAKFAST PROPERTIES / SELF CATERING AND HOLIDAY HOMES

Bed and Breakfast properties paying Council Tax will be permitted one domestic bin without overloading and blue recycling bin(s) as with other domestic properties, any overloading of waste will result in a commercial contract to be arranged. If the bed and breakfast is paying non-domestic rates they must be charged commercial rates. Recycling services must also be offered to these properties.

Self-catering properties, playing Council Tax may place waste in a non-recyclable waste bin without overloading and is serviced by the Council's Domestic Service, no extra charges will be made.

Non-Domestic Rates Self Catering property which requires its own service this will be charged at the commercial rate and the property will be issued with a grey bin only. Recycling services must also be offered to these properties. If the waste from this type of property can be contained within the home owners own household bin then no charge should be levied.

The Council reserves the right to consult with the Non Domestic Rates section to verify if a property is listed in their records.

12. ADDITIONAL WASTE

Any additional waste can be presented for uplift only if presented in tied pre-paid sacks supplied by the Council and with advance agreement.

13. NEW, CHANGED OR CANCELLED SERVICES

The Customer should request a new, changed or cancelled request for commercial waste services via the Council's website. An appropriate service will be agreed between the Council and the Customer once applications are made for new or changed services. On payment of new or changed services the Council will issue a waste transfer note to the Customer. The Customer shall return a signed copy of the waste transfer note to the Council for their records.
