STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

Towards the cost of library and institute, Oban

Appointment of Trustees

The trustees of the charities are the elected members (councillors) of Argyll and Bute Council. Trustees are appointed through their election to Argyll and Bute Council.

Organisational Structure

The trustees (as the elected members of the council) meet once a year at the AGM to consider and approve the annual report and financial statements and any other business such as future plans and the reorganisation of trust funds. The trustees delegate the day to day administration of the charities to officers of the Council. The Council has established a range of committees with delegated powers to allow it to discharge its business effectively. This includes the management of charities. The Council has an approved constitution that governs the conduct of business by the Council and covers standing orders for meetings, a scheme of administration and delegation, financial and security regulations, contract standing orders and an ethical framework.

Related Parties

Trustees hold this position because they are elected members of Argyll and Bute Council. Argyll and Bute Council provides administration services to the Charity at no cost to the Trust.

Risk Management

The Section 95 Officer of Argyll and Bute Council has taken the steps required by trustees to consider the major risks to which the charity is exposed, in particular those related to its operation and finance, and to be satisfied that systems are in place to mitigate the exposure to the major risks.

Trustees' Annual Report – For the Year ended 31 March 2020

Management of Funds and Investment Policy

TRUSTEES' RESPONSIBILITIES STATEMENT

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards.

The law applicable to charities in Scotland requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then applythem consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

CONCLUSION

The reserves of the Charity increased by £545 in the year.

The trust made no awards during the year.

Since 2013-14 an audit is required to be carried out by the appointed auditor of Argyll and Bute Council in accordance with the requirements of the Local Government (Scotland) Act 1973.

The appointed auditor of Argyll and Bute Council is Audit Scotland and the Trustees would like to thank them for undertaking this task.

Independent Auditors Report

Independent auditor's report to the trustees of the McCaig Trust and the Accounts Commission

Report on the audit of the financial statements

Opinion on financial statements

I certify that I have audited the financial statements in the statement of accounts of the McCaig Trust for the year ended 31 March 2020 under Part VII of the Local Government (Scotland) Act 1973 and section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005. The financial statements comprise the Statement of Financial Activities, the Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and the United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In my opinion the accompanying financial statements:

- give a true and fair view of the state of affairs of the charity as at 31 March 2020 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005, and regulation 8 of The Charities Accounts (Scotland) Regulations 2006.

Basis for opinion

I conducted my audit in accordance with applicable law and International Standards on Auditing (UK) (ISAs (UK)), as required by the Code of Audit Practice approved by the Accounts Commission for Scotland. My responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of My report. I am independent of the charity in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standard, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Conclusions relating to going concern basis of accounting

I have nothing to report in respect of the following matters in relation to which the ISAs (UK) require me to report to you where:

- the use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about ability of the charity to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Responsibilities of the trustees for the financial statements

The trustees are responsible for the preparation of financial statements that give a true and fair view in accordance with the financial reporting framework, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Independent Auditors Report

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless deemed inappropriate.

Auditor's responsibilities for the audit of the financial statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website www.frc.org.uk/auditorsresponsibilities. This description forms part of my auditor's report.

Other information in the statement of accounts

The trustees are responsible for the other information in the statement of accounts. The other information comprises the information other than the financial statements and my auditor's report thereon. My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon except on matters prescribed by the Accounts Commission or required by applicable law to the extent explicitly stated later in this report.

In connection with my audit of the financial statements, my responsibility is to read all the other information in the statement of accounts and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If I identify such material inconsistencies or apparent material misstatements, I am required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Report on other requirements

Opinion on matter prescribed by the Accounts Commission

In my opinion, based on the work undertaken in the course of the audit the information given in the Trustees' Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements and that report has been prepared in accordance with the Charities SORP (FRS 102).

Matters on which I am required to report by exception

I am required by The Charity Accounts (Scotland) Regulations 2006 to report to you if, in my opinion:

- proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- I have not received all the information and explanations I require for my audit.

I have nothing to report in respect of these matters.

Independent Auditors Report

This report is made solely to the parties to whom it is addressed in accordance with Part VII of the Local Government (Scotland) Act 1973 and for no other purpose. In accordance with paragraph 120 of the Code of Audit Practice, I do not undertake to have responsibilities to members or officers, in their individual capacities, or to third parties.

Reserves Policy

The unrestricted free reserves at the financial year-end were £6,703 (2018-19 £6,629). This includes cash and bank only repayable on demand. The Charity has no explicit reserves policy, but the "capital" of the fund (as identified from the governing documents or available evidence) is held effectively as a permanent endowment, with only the annual income available for disbursement in the year via the unrestricted reserve. The unrestricted reserves are available for the objects of the Charity.

CONCLUSION

The charity made no grants during 2019-20.

Since 2013-14 an audit is required to be carried out by the appointed auditor of Argyll and Bute Council in accordance with the requirements of the Local Government (Scotland) Act 1973.

The appointed auditor of Argyll and Bute Council is Audit Scotland and the Trustees would like to thank them for undertaking this task.

Marquess of Bute Silver Wedding Dowry Independent Auditor's Report

Independent auditor's report to the trustees of the Marquess of Bute Wedding Dowry and the Accounts Commission

Report on the audit of the financial statements

Opinion on financial statements

I certify that I have audited the financial statements in the statement of accounts of the Marquess of Bute Wedding Dowry for the year ended 31 March 2020 under Part VII of the Local Government (Scotland) Act 1973 and section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005. The financial statements comprise the Statement of Receipts and Payments, the Statement of Balances and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and a receipts and payments basis.

In my opinion the accompanying financial statements:

- properly present the receipts and payments of the charity for the year ended 31 March 2020 and its statement of balances at that date; and
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005, and regulations 9(1), (2) and (3) of The Charities Accounts (Scotland) Regulations 2006.

Basis for opinion

I conducted my audit in accordance with applicable law and International Standards on Auditing (UK) (ISAs (UK)), as required by the Code of Audit Practice approved by the Accounts Commission for Scotland. My responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of my report. I am independent of the charity in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standard, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of the trustees for the financial statements

The trustees are responsible for the preparation of financial statements which properly present the receipts and payments of the charity, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibilities for the audit of the financial statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website www.frc.org.uk/auditorsresponsibilities. This description forms part of my auditor's report.

Other information in the statement of accounts

The trustees are responsible for the other information in the statement of accounts. The other information comprises the information other than the financial statements and my auditor's report thereon. My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon except on matters prescribed by the Accounts Commission or required by applicable law to the extent explicitly stated later in this report.

In connection with my audit of the financial statements, my responsibility is to read all the other information in the statement of accounts and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If I identify such material inconsistencies or apparent material misstatements, I am required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Report on other requirements

Opinion on matter prescribed by the Accounts Commission

In my opinion, based on the work undertaken in the course of the audit the information given in the Trustees' Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements and that report has been prepared in accordance with The Charities Accounts (Scotland) Regulations 2006.

Matters on which I am required to report by exception

I am required by The Charity Accounts (Scotland) Regulations 2006 to report to you if, in my opinion:

- proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- I have not received all the information and explanations I require for my audit.

I have nothing to report in respect of these matters.

Use of my report

This report is made solely to the parties to whom it is addressed in accordance with Part VII of the Local Government (Scotland) Act 1973 and for no other purpose. In accordance with paragraph 120 of the Code of Audit Practice, I do not undertake to have responsibilities to members or officers, in their individual capacities, or to third parties.

Appointment of Trustees

The trustees of the charities are the elected members (councillors) of Argyll and Bute Council. Trustees are appointed through their election to Argyll and Bute Council.

Organisational Structure

The trustees (as the elected members of the council) meet once a year at the AGM to consider and approve the annual report and financial statements and any other business such as future plans and the reorganisation of trust funds. The trustees delegate the day to day administration of the charities to officers of the Council. The Council has established a range of committees with delegated powers to allow it to discharge its business effectively. This includes the management of charities. The Council has an approved constitution that governs the conduct of business by the Council and covers standing orders for meetings, a scheme of administration and delegation, financial and security regulations, contract standing orders and an ethical framework.

Related Parties

Trustees hold this position because they are elected members of Argyll and Bute Council. Argyll and Bute Council provides administration services to the Charity.

Risk Management

The Section 95 Officer of Argyll and Bute Council has taken the steps required by trustees to consider the major risks to which the charity is exposed, in particular those related to its operation and finance, and to be satisfied that the systems are in place to mitigate the exposure to the major risks.

Management of Funds and Investment Policy

The Trustees rely upon the expertise of Argyll and Bute Council to manage the investments to ensure the maximum return at least risk to the charity. In this way, the income stream for the future benefit of the charity is protected.

The funds of the charity are deposited with Argyll and Bute Council and receive interest at the average market rate for the Council's borrowing. The interest received from Argyll and Bute Council is shown in the Statement of Receipts and Payments.

FINANCIAL REVIEW

Overview

The Charity is dormant. The only source of income during 2019-20 came from interest from deposits with Argyll and Bute Council of £56 (2018-19 - £56) and Local Bond Interest £1 (2018-19 - £1). The trust held cash at bank of £9,988 as at 31 March 2020 (2018-19 - £9,931).

Reserves Policy

The unrestricted free reserves in cash at bank at the financial year-end were £6,938 (2018-19 - £6,881). The Charity has no explicit reserves policy, but the "capital" of the fund (as identified from the governing document or available evidence) is held effectively as a permanent endowment, with only the annual income available for disbursement in the year via the unrestricted reserve. The unrestricted reserves are available for the objects of the trust.

CONCLUSION

The charity did not undertake any activities during the year.

Since 2013-14 an audit is required to be carried out by the appointed auditor of Argyll and Bute Council in accordance with the requirements of the Local Government (Scotland) Act 1973.

The appointed auditor of Argyll and Bute Council is Audit Scotland and the Trustees would like to thank them for undertaking this task.

Independent Auditor's Report

Report on the audit of the financial statements

Opinion on financial statements

I certify that I have audited the financial statements in the statement of accounts of the Baillie Gillies Bequest for the year ended 31 March 2020 under Part VII of the Local Government (Scotland) Act 1973 and section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005. The financial statements comprise the Statement of Receipts and Payments, the Statement of Balances and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and a receipts and payments basis.

In my opinion the accompanying financial statements:

- properly present the receipts and payments of the charity for the year ended 31 March 2020 and its statement of balances at that date; and
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005, and regulations 9(1), (2) and (3) of The Charities Accounts (Scotland) Regulations 2006.

Basis for opinion

I conducted my audit in accordance with applicable law and International Standards on Auditing (UK) (ISAs (UK)), as required by the Code of Audit Practice approved by the Accounts Commission for Scotland. My responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of my report. I am independent of the charity in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standard, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of the trustees for the financial statements

The trustees are responsible for the preparation of financial statements which properly present the receipts and payments of the charity, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Independent Auditor's Report

Auditor's responsibilities for the audit of the financial statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website www.frc.org.uk/auditorsresponsibilities. This description forms part of my auditor's report.

Other information in the statement of accounts

The trustees are responsible for the other information in the statement of accounts. The other information comprises the information other than the financial statements and my auditor's report thereon. My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon except on matters prescribed by the Accounts Commission or required by applicable law to the extent explicitly stated later in this report.

In connection with my audit of the financial statements, my responsibility is to read all the other information in the statement of accounts and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If I identify such material inconsistencies or apparent material misstatements, I am required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Report on other requirements

Opinion on matter prescribed by the Accounts Commission

In my opinion, based on the work undertaken in the course of the audit the information given in the Trustees' Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements and that report has been prepared in accordance with The Charities Accounts (Scotland) Regulations 2006.

Independent Auditor's Report

Matters on which I am required to report by exception

I am required by The Charity Accounts (Scotland) Regulations 2006 to report to you if, in my opinion:

- proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- I have not received all the information and explanations I require for my audit.

I have nothing to report in respect of these matters.

Use of my report

This report is made solely to the parties to whom it is addressed in accordance with Part VII of the Local Government (Scotland) Act 1973 and for no other purpose. Income during 2019-20 came from interest from deposits with Argyll and Bute Council of £24 (2018-19 - £25). The trust held cash and bank of £3,708 as at 31 March 2020 (2018-19 - £4,233).

The unrestricted reserves are available for the objects of the Charity.

CONCLUSION

The reserves of the Charity decreased by £525 in the year.

The trust spent £549 on annual grass cutting, weed spraying and treatment of epicormic growth.

Independent Auditor's report

Independent auditor's report to the trustees of the Kidston Park Trust and the Accounts Commission

Report on the audit of the financial statements

Opinion on financial statements

I certify that I have audited the financial statements in the statement of accounts of the Kidston Park Trust for the year ended 31 March 2020 under Part VII of the Local Government (Scotland) Act 1973 and section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005. The financial statements comprise the Statement of Receipts and Payments, the Statement of Balances and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and a receipts and payments basis.

In my opinion the accompanying financial statements:

- properly present the receipts and payments of the charity for the year ended 31 March 2020 and its statement of balances at that date; and
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005, and regulations 9(1), (2) and (3) of The Charities Accounts (Scotland) Regulations 2006.

Basis for opinion

I conducted my audit in accordance with applicable law and International Standards on Auditing (UK) (ISAs (UK)), as required by the Code of Audit Practice approved by the Accounts Commission for Scotland. My responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of my report. I am independent of the charity in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standard, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of the trustees for the financial statements

The trustees are responsible for the preparation of financial statements which properly present the receipts and payments of the charity, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibilities for the audit of the financial statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website www.frc.org.uk/auditorsresponsibilities. This description forms part of my auditor's report.

Independent Auditor's report

The trustees are responsible for the other information in the statement of accounts. The other information comprises the information other than the financial statements and my auditor's report thereon. My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon except on matters prescribed by the Accounts Commission or required by applicable law to the extent explicitly stated later in this report.

In connection with my audit of the financial statements, my responsibility is to read all the other information in the statement of accounts and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If I identify such material inconsistencies or apparent material misstatements, I am required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Report on other requirements

Opinion on matter prescribed by the Accounts Commission

In my opinion, based on the work undertaken in the course of the audit the information given in the Trustees' Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements and that report has been prepared in accordance with The Charities Accounts (Scotland) Regulations 2006.

Matters on which I am required to report by exception

I am required by The Charity Accounts (Scotland) Regulations 2006 to report to you if, in my opinion:

- proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- I have not received all the information and explanations I require for my audit.

I have nothing to report in respect of these matters.

Use of my report

This report is made solely to the parties to whom it is addressed in accordance with Part VII of the Local Government (Scotland) Act 1973 and for no other purpose. In accordance with paragraph 120 of the Code of Audit Practice, I do not undertake to have responsibilities to members or officers, in their individual capacities, or to third parties.

FINANCIAL REVIEW

Overview

The Charity is dormant. The only source of income during 2019-20 came from interest from deposits with Argyll and Bute Council of £11 (2018-19 - £10). The Charity had cash and bank of £1,944 as at 31 March 2020 (2018-19 - £1,933).

Reserves Policy

The unrestricted free reserves in cash and bank at the financial year-end were £1,744 (2018-19 - £1,733). The Charity has no explicit reserves policy, but the "capital" of the fund (as identified from the governing document or available evidence) is held effectively as a permanent endowment, with only the annual income available for disbursement in the year via the unrestricted reserve. The unrestricted reserves are available for the objects of the Charity.

CONCLUSION

The charity did not undertake any activities during the year.

Since 2013-14 an audit is required to be carried out by the appointed auditor of Argyll and Bute Council in accordance with the requirements of the Local Government (Scotland) Act 1973. The appointed auditor of Argyll and Bute Council is Audit Scotland and the Trustees would like to thank them for undertaking this task.

Independent Auditor's Report

Independent auditor's report to the trustees of the Logie Baird Prize Fund and the Accounts Commission

Report on the audit of the financial statements

Opinion on financial statements

I certify that I have audited the financial statements in the statement of accounts of the Logie Baird Prize Fund for the year ended 31 March 2020 under Part VII of the Local Government (Scotland) Act 1973 and section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005. The financial statements comprise the Statement of Receipts and Payments, the Statement of Balances and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and a receipts and payments basis.

In my opinion the accompanying financial statements:

- properly present the receipts and payments of the charity for the year ended 31 March 2020 and its statement of balances at that date; and
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005, and regulations 9(1), (2) and (3) of The Charities Accounts (Scotland) Regulations 2006.

Basis for opinion

I conducted my audit in accordance with applicable law and International Standards on Auditing (UK) (ISAs (UK)), as required by the Code of Audit Practice approved by the Accounts Commission for Scotland. My responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of my report. I am independent of the charity in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standard, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of the trustees for the financial statements

The trustees are responsible for the preparation of financial statements which properly present the receipts and payments of the charity, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibilities for the audit of the financial statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website www.frc.org.uk/auditorsresponsibilities. This description forms part of my auditor's report.

Independent Auditor's Report

The trustees are responsible for the other information in the statement of accounts. The other information comprises the information other than the financial statements and my auditor's report thereon. My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon except on matters prescribed by the Accounts Commission or required by applicable law to the extent explicitly stated later in this report.

In connection with my audit of the financial statements, my responsibility is to read all the other information in the statement of accounts and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If I identify such material inconsistencies or apparent material misstatements, I am required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Report on other requirements

Opinion on matter prescribed by the Accounts Commission

In my opinion, based on the work undertaken in the course of the audit the information given in the Trustees' Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements and that report has been prepared in accordance with The Charities Accounts (Scotland) Regulations 2006.

Matters on which I am required to report by exception

I am required by The Charity Accounts (Scotland) Regulations 2006 to report to you if, in my opinion:

- proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- I have not received all the information and explanations I require for my audit.

I have nothing to report in respect of these matters.

Use of my report

This report is made solely to the parties to whom it is addressed in accordance with Part VII of the Local Government (Scotland) Act 1973 and for no other purpose. In accordance with paragraph 120 of the Code of Audit Practice, I do not undertake to have responsibilities to members or officers, in their individual capacities, or to third parties.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

The Trust is a scheme under the Education (Scotland) Acts, 1939 to 1956, for the future government and management of certain educational endowments in the County of Argyll. Formed by the amalgamation of fourteen individual endowments and approved by His Late Majesty King George V in Council on 24th July, 1933.

Robert MacFie of Airds and Oban, Sugar Refiner in Liverpool, died 1899. His will confirmed and recorded in 1899 a bequest of £150.

Appointment of Trustees

The trustees of the charities are the elected members (councillors) of Argyll and Bute Council. Trustees are appointed through their election to Argyll and Bute Council.

Organisational Structure

The trustees (as the elected members of the council) meet once a year at the AGM to consider and approve the annual report and financial statements and any other business such as future plans and the reorganisation of trust funds. The trustees delegate the day to day administration of the charities to officers of the Council. The Council has established a range of committees with delegated powers to allow it to discharge its business effectively. This includes the management of charities. The Council has an approved constitution that governs the conduct of business by the Council and covers standing orders for meetings, a scheme of administration and delegation, financial and security regulations, contract standing orders and an ethical framework.

Related Parties

Trustees hold this position because they are elected members of Argyll and Bute Council. Argyll and Bute Council provides administration services to the Trust at no cost to the trust.

Risk Management

The Section 95 Officer of Argyll and Bute Council has taken the steps required by trustees to consider the major risks to which the charity is exposed, in particular those related to its operation and finance, and to be satisfied that systems are in place to mitigate the exposure to the major risks.

Management of Funds and Investment Policy

The Trustees rely upon the expertise of Argyll and Bute Council to manage the investments to ensure the maximum return at least risk to the charity. The investment approach is a moderate risk tolerance with a balanced portfolio to achieve the primary objectives of capital growth and income for awards. In this way, the capital and income stream for the future benefit of the trust is protected.

The Section 95 Officer of the Council is responsible for securing the proper management of the investments of the trust. The day-to-day management of investments is performed by an external firm of stockbrokers under a discretionary agreement.

OBJECTIVES AND ACTIVITIES

The objective of the fund is for the advancement of education for children and young people within the former County of Argyll. This objective is met by the issuing of grants to individuals and organisations.

Robert MacFie - The objective of the fund is for the advancement of education by providing a gold Dux medal to Oban High School.

ACHIEVEMENTS AND PERFORMANCE

In the year to 31 March 2020, there were 9 grants made to individuals across Argyll totalling £1,250 (2018-19 - £5,235).

FINANCIAL REVIEW

Investments and Reserves

The funds increased by £3,411 (2018-19 increased by £39,130). The increase was due to interest received on investment assets offset by a loss on the re-valuation of the investment assets and grants paid out. The reserves of the trust at 31 March 2020 amount to £538,088; £158,620 in unrestricted funds and £379,468 in permanent endowment funds. These funds are held as follows:

	31 March 2019	31 March 2020
	£	£
COIF Chari ties Investment Fund	391,877	379,468
Investments in Endowment Funds	391,877	379,468
Debtor Barclays Wealth Undistributed income	-	-
Cash and Bank - Argyll & Bute Counci I	142,800	158,620
	534,677	538,088
Current Assets in Restricted Funds	391,877	379,468
Current Assets in Unrestricted Funds	142,800	158,620
Total Funds	534,677	538,088

Over the year, the value of investments decreased by £12,409 from £391,877 to £379,468. The Charities original investment fund (COIF) valuation at 31 March 2020 was 25,542.41 units held with a unit value of 1,485.64 pence.

The increase in cash and bank from £142,800 to £158,620 is due to investment income received of £16,262, interest from deposits held with Argyll and Bute Council of £808, less grants awarded of £1,250.

Reserves Policy

Unrestricted free reserves at 31 March 2020 were £158,620. The Trust has no explicit reserves policy, but the "capital" of the trust is held effectively as a permanent endowment for capital growth and to provide an annual income. Income only from the investments may be distributed on an annual basis to ensure that the original funds grow over time. No specific targets have been set. Any unspent income net of all expenses is held in the unrestricted funds and is available for the objectives of the trust.

Income and Expenditure

The Statement of Financial Activities on page 10 provides an analysis of the income and expenditure for the twelve months to 31 March 2020.

Income for the year amounted to £17,070 (2018-19 - £15,704). Expenditure was incurred on grants awarded of £1,250 (2018-19 - £5,235). There was a loss of £12,409 in 2019-20 for changes in the market value of investments (a gain in 2018-19 of £28,661). The Charities original investment fund (COIF) valuation at 31 March 2020 was 25,542.41 units held with a unit value of 1,485.64 pence (31 March 2019 - 1,534.22).

TRUSTEES' RESPONSIBILITIES STATEMENT

County of Argyll Educational Trust Scheme, 1960 Independent Auditor's Report

Independent auditor's report to the trustees of the County of Argyll Educational Trust Scheme, 1960 and the Accounts Commission

Report on the audit of the financial statements

Opinion on financial statements

I certify that I have audited the financial statements in the statement of accounts of the County of Argyll Educational Trust Scheme, 1960 for the year ended 31 March 2020 under Part VII of the Local Government (Scotland) Act 1973 and section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005. The financial statements comprise the Statement of Financial Activities, the Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and the United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In my opinion the accompanying financial statements:

- give a true and fair view of the state of affairs of the charity as at 31 March 2020 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005, and regulation 8 of The Charities Accounts (Scotland) Regulations 2006.

Basis for opinion

I conducted my audit in accordance with applicable law and International Standards on Auditing (UK) (ISAs (UK)), as required by the Code of Audit Practice approved by the Accounts Commission for Scotland. My responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of My report. I am independent of the charity in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standard, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Conclusions relating to going concern basis of accounting

I have nothing to report in respect of the following matters in relation to which the ISAs (UK) require me to report to you where:

- the use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about ability of the charity to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Responsibilities of the trustees for the financial statements

The trustees are responsible for the preparation of financial statements that give a true and fair view in accordance with the financial reporting framework, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

County of Argyll Educational Trust Scheme, 1960 Independent Auditor's Report

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless deemed inappropriate.

Auditor's responsibilities for the audit of the financial statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website www.frc.org.uk/auditorsresponsibilities. This description forms part of my auditor's report.

Other information in the statement of accounts

The trustees are responsible for the other information in the statement of accounts. The other information comprises the information other than the financial statements and my auditor's report thereon. My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon except on matters prescribed by the Accounts Commission or required by applicable law to the extent explicitly stated later in this report.

In connection with my audit of the financial statements, my responsibility is to read all the other information in the statement of accounts and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If I identify such material inconsistencies or apparent material misstatements, I am required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Report on other requirements

Opinion on matter prescribed by the Accounts Commission

In my opinion, based on the work undertaken in the course of the audit the information given in the Trustees' Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements and that report has been prepared in accordance with the Charities SORP (FRS 102).

Matters on which I am required to report by exception

I am required by The Charity Accounts (Scotland) Regulations 2006 to report to you if, in my opinion:

- proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- I have not received all the information and explanations I require for my audit.

I have nothing to report in respect of these matters.

County of Argyll Educational Trust Scheme, 1960 Independent Auditor's Report

Use of my report

This report is made solely to the parties to whom it is addressed in accordance with Part VII of the Local Government (Scotland) Act 1973 and for no other purpose. In accordance with paragraph 120 of the Code of Audit Practice, I do not undertake to have responsibilities to members or officers, in their individual capacities, or to third parties.

Trustees' Annual Report (continued)

Year ended 31 March 2020

Structure, governance and management

Legal and Administrative Status

The Oban Common Good Fund is regulated by the Local Government Scotland Act 1973. It is registered as a charity in Scotland, and is recognised as a charity for taxation purposes by H M Revenue & Customs

Recruitment and Appointment of Management Committee

The management committee consisted of three councillor who represent the two wards of Oban plus one further councillor.

The councillors are charity trustees for the purposes of charity law and are replaced by their successors during each local government election.

Trustee Induction and Training

Most councillors are already familiar with the work of the charity and attend an introductory meeting with those councillors who continue as trustees to introduce the most recent work of the charity and to introduce current objectives and plans.

Organisational structure

The trustees meet on a quarterly basis to review grant applications and monitor the fund's financial position. The trustees use an agreed distribution policy in order to determine the approval and level of grant assistance made available to the applicant. Approval for grants over £6,000 requires the agreement of all trustees.

The trustees delegate day to day responsibility for the running of the fund to the secretary and fund administrators. The fund administrators were appointed in 2015 and again in 2018 following a competitive tender process and are currently Simmers & Co, Chartered Accountants.

Risk Management

The trustees have assessed the major risks to which the charity is exposed, and in particular those related to the finance of the fund, and are satisfied that systems are in place to mitigate exposure to the major risks.

Objectives and activities

The fund consists of a Revenue Account and a Capital Account, with the Capital Account being held in perpetuity with no distribution permitted therefrom without the prior consent of Argyll & Bute Council as parent body.

The Revenue Account represents income available for distribution and the Capital invested in perpetuity derives an annual investment income which is available for distribution annually once associated fund costs have been accounted for.

The objectives are to administer the fund having regard to the interests of the inhabitants of the town of Oban. A comprehensive distribution policy provides a framework for grant distributions.

Trustees' Annual Report (continued)

Year ended 31 March 2020

Achievements and performance

The Fund agreed to the distribution of 18 grants totalling £45,269 in grants as detailed in Note 3 on page 10 of the financial statements. Projects support covered a wide spectrum of community activity in Oban arts, sports, economic development and cultural heritage. In the current climate of severe financial constraints, the Trustees recognise that there will continue to be substantial pressures placed on the Fund in terms of the number of applications, which must be balanced against the income to the Fund, which is subject to the vagaries of the stock market. In terms of this latter issue, management of the funds is delegated to CCLA for Charities to increase the ethical approach to investment whilst maintaining a positive return.

Financial review

The funds result for the year was a deficit on unrestricted funds of £4,134 (2019 - surplus £21,111) and a deficit on restricted funds of £164,548 (2019 - £29,514), the latter due, in part, to property depreciation as well as a loss in the value of the investment fund in the final quarter due to global decline in share prices which adversely affected both the restricted and unrestricted fund results.

Reserves policy

The Oban Common Good Fund invests the capital account in perpetuity in order to generate investment income to distribute annually, the balance of undistributed funds in any year is maintained in a revenue account. This can be used to increase the capital account where the return from the capital account investments shows signs of diminishing in real terms value due to the economic climate.

Including the revaluation reserve, the restricted (Investment and Capital) Funds amounted to £5,959,769 (2019 - £6,124,317) and the unrestricted (Income/ Revenue) funds amounted to £362,391 (2019 - £366,525). Included within capital funds is property with a net book value of £4,702,500.

Plans for future periods

The trustees recognise that the current pandemic is having serious impacts on the town of Oban and will look to assist where possible to mitigate the effects whilst carefully monitoring the fund's investment performance to ensure its long term sustainability

Trustees' responsibilities statement

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in Scotland requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period.

Trustees' Annual Report (continued)

Year ended 31 March 2020

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities and Trustees Investments (Scotland) Act 2005, the Charity Accounts (Scotland) Regulations 2006, and the provisions of the Trust Deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Auditor's Report to the Members of Oban Common Good Fund Year ended 31 March 2020

Report on the audit of the financial statements

Opinion on financial statements

I certify that I have audited the financial statements in the statement of accounts of the Oban Common Good Fund for the year ended 31 March 2020 under Part VII of the Local Government (Scotland) Act 1973 and section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005. The financial statements comprise the Statement of Financial Activities, Statement of Financial Position, Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and the United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In my opinion the accompanying financial statements:

- give a true and fair view of the state of affairs of the charity as at 31 March 2020 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005, and regulation 8 of The Charities Accounts (Scotland) Regulations 2006.

Basis for opinion

I conducted my audit in accordance with applicable law and International Standards on Auditing (UK) (ISAs (UK)), as required by the Code of Audit Practice approved by the Accounts Commission for Scotland. My responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of My report. I am independent of the charity in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standard, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Conclusions relating to going concern basis of accounting

I have nothing to report in respect of the following matters in relation to which the ISAs (UK) require me to report to you where:

- the use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties
 that may cast significant doubt about ability of the charity to continue to adopt the going concern
 basis of accounting for a period of at least twelve months from the date when the financial
 statements are authorised for issue.

Responsibilities of the trustees for the financial statements

The trustees are responsible for the preparation of financial statements that give a true and fair view in accordance with the financial reporting framework, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless deemed inappropriate.

Independent Auditor's Report to the Members of Oban Common Good Fund

Year ended 31 March 2020

Auditor's responsibilities for the audit of the financial statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website www.frc.org.uk/auditorsresponsibilities. This description forms part of my auditor's report.

Other information in the statement of accounts

The trustees are responsible for the other information in the statement of accounts. The other information comprises the information other than the financial statements and my auditor's report thereon. My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon except on matters prescribed by the Accounts Commission or required by applicable law to the extent explicitly stated later in this report.

In connection with my audit of the financial statements, my responsibility is to read all the other information in the statement of accounts and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If I identify such material inconsistencies or apparent material misstatements, I am required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Report on other requirements

Opinion on matter prescribed by the Accounts Commission

In my opinion, based on the work undertaken in the course of the audit the information given in the Trustees' Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements and that report has been prepared in accordance with the Charities SORP (FRS 102).

Matters on which I am required to report by exception

I am required by The Charity Accounts (Scotland) Regulations 2006 to report to you if, in my opinion:

- proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- I have not received all the information and explanations I require for my audit.

I have nothing to report in respect of these matters.

Use of my report

This report is made solely to the parties to whom it is addressed in accordance with Part VII of the Local Government (Scotland) Act 1973 and for no other purpose. In accordance with paragraph 120 of the Code of Audit Practice, I do not undertake to have responsibilities to members or officers, in their individual capacities, or to third parties.

Notes to the Financial Statements

Year ended 31 March 2020

1. General information

The charity is a public benefit entity and a registered charity in Scotland and is unincorporated. The address of the principal office is Argyll & Bute Council, Kilmory, Lochgilphead, PA31 8RT.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities and Trustee Investment (Scotland) Act 2005 and the Charity Accounts (Scotland) Regulations 2006 (as amended).

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Notes to the Financial Statements (continued)

Year ended 31 March 2020

3. Accounting policies (continued)

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the
 contracted service. This is classified as unrestricted funds unless there is a contractual
 requirement for it to be spent on a particular purpose and returned if unspent, in which case
 it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking
 activities that further its charitable aims for the benefit of its beneficiaries, including those
 support costs and costs relating to the governance of the charity apportioned to charitable
 activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Notes to the Financial Statements (continued)

Year ended 31 March 2020

3. Accounting policies (continued)

Tangible assets (continued)

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Freehold property

Straight line over 40 years

Investments

Unlisted equity investments are initially recorded at cost, and subsequently measured at fair value. If fair value cannot be reliably measured, assets are measured at cost less impairment.

Listed investments are measured at fair value with changes in fair value being recognised in income or expenditure.

Investments in associates

Investments in associates accounted for in accordance with the cost model are recorded at cost less any accumulated impairment losses.

Investments in associates accounted for in accordance with the fair value model are initially recorded at the transaction price. At each reporting date, the investments are measured at fair value, with changes in fair value taken through income or expenditure. Where it is impracticable to measure fair value reliably without undue cost or effort, the cost model will be adopted.

Dividends and other distributions received from the investment are recognised as income without regard to whether the distributions are from accumulated profits of the associate arising before or after the date of acquisition.

Investments in joint ventures

Investments in jointly controlled entities accounted for in accordance with the cost model are recorded at cost less any accumulated impairment losses.

Investments in jointly controlled entities accounted for in accordance with the fair value model are initially recorded at the transaction price. At each reporting date, the investments are measured at fair value, with changes in fair value taken through income or expenditure. Where it is impracticable to measure fair value reliably without undue cost or effort, the cost model will be adopted.

Dividends and other distributions received from the investment are recognised as income without regard to whether the distributions are from accumulated profits of the joint venture arising before or after the date of acquisition.

Notes to the Financial Statements (continued)

3. Accounting policies (continued)

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Notes to the Financial Statements (continued)

Year ended 31 March 2020

3. Accounting policies (continued)

Financial instruments (continued)

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.
