### When visiting Luing:

- Remember there is livestock on most of the island.
- Dogs are welcome but should be kept under control, especially at lambing time and when the cows have young calves.
- Ensure you leave gates as you find them.
- Park cars off farm tracks so that access for farm vehicles is not obstructed.
- Litter can be dangerous to animals – please take it away with you and consider picking up other litter as well.

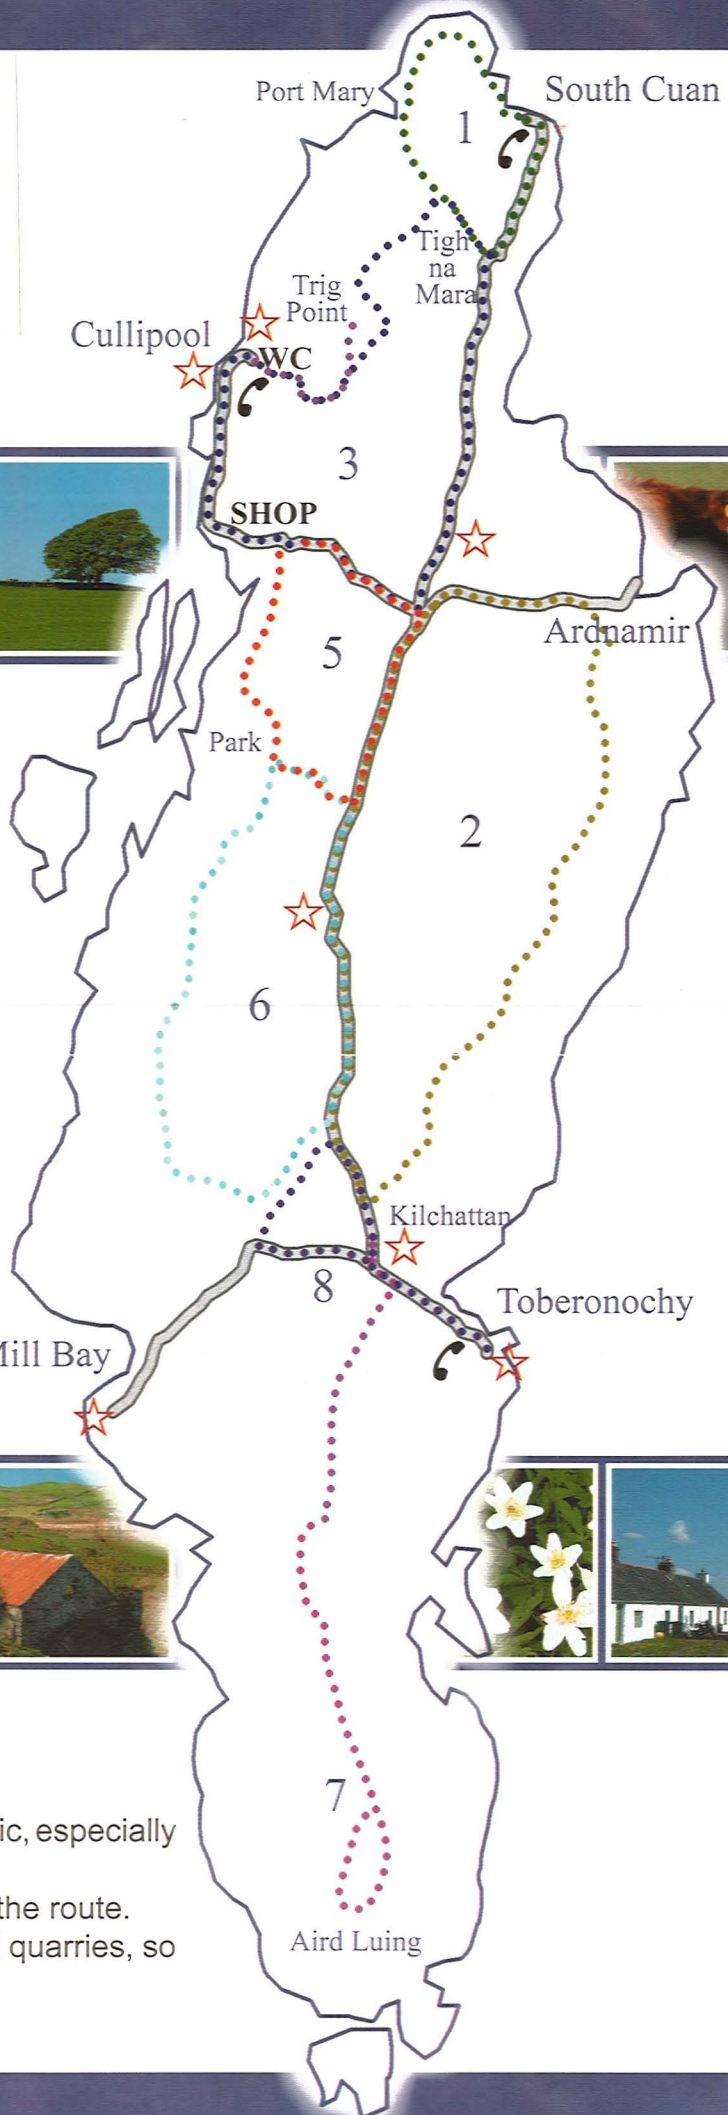

### More information:

- OS Landranger 55 (1:50,000)
- OS Explorer 359 (1:25,000)

### For your own safety:

- When on the road, please watch out for traffic, especially farm vehicles.
- Make sure you are properly equipped for the route.
- There is disused equipment in the flooded quarries, so swimming is very dangerous.

Know the Code before you go ...

## Enjoy Scotland's outdoors - responsibly!

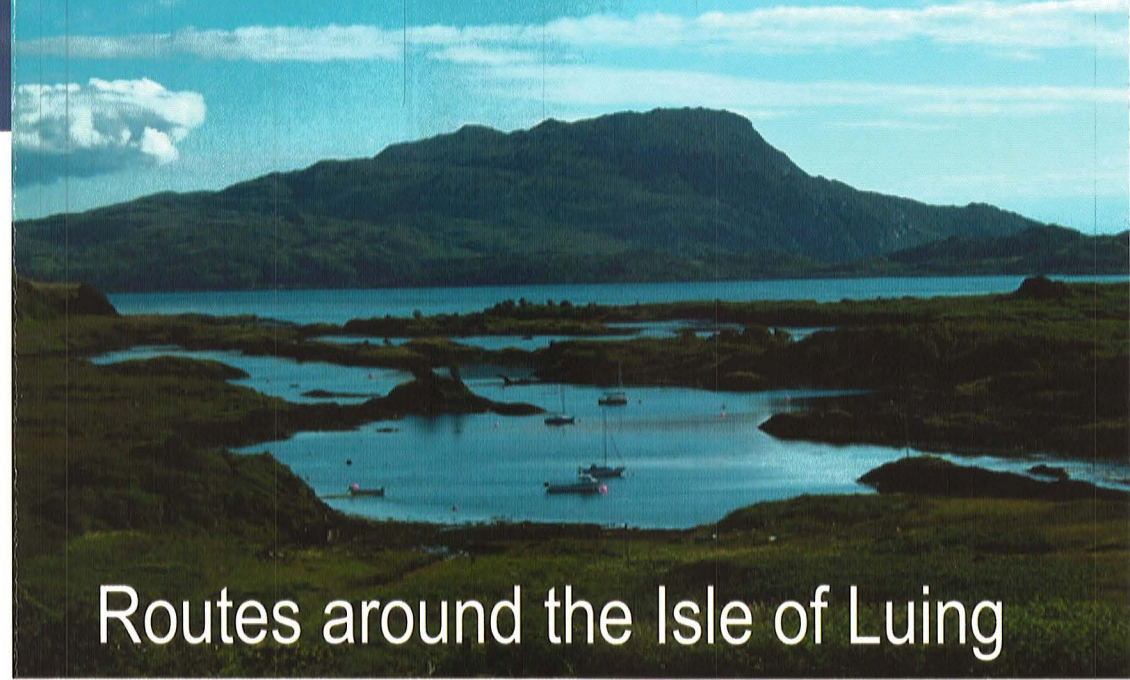

Everyone has the right to be on most land and inland water providing they act responsibly. Your access rights and responsibilities are explained fully in the Scottish Outdoor Access Code.

Whether you're in the outdoors or managing the outdoors, the key things are to:

- take responsibility for your own actions;
- respect the interests of other people;
- care for the environment.

Find out more by visiting [www.outdooraccess-scotland.com](http://www.outdooraccess-scotland.com) or phoning your local Scottish Natural Heritage office.

## Routes around the Isle of Luing

These leaflets have been produced by Luing Community Trust and were made possible with the support of Scottish Natural Heritage and WHELK Leader +. Wildlife illustrations by Differentia Design.

### List of enclosed route leaflets

1. South Cuan – Port Mary – Tigh na Mara – South Cuan
