Your blue bin will be collected on the dates shown above. Please put your blue bin out for collection by 8.00am. If, for whatever reason e.g. vehicle breakdown, the Council cannot uplift your blue bin on any of the above dates, we will endeavour to uplift the following day. If it is not collected by the end of the following day, please take your bin back in and re-present it on the next scheduled date.

If you require further information in the event of such circumstances, please contact the Enquiry Line on 01546 605 514.

Please note that there may be some changes in the future to improve your recycling service. More information will be provided nearer the time.
