Commercial Waste Services – Notification of future changes

Payment Terms

I write to advise that from 1st April 2021 our payment terms will be changing from 21 days to 14 days.

The reason for this change is to bring our commercial waste payment term in line with all other Council services.

Argyll and Bute Council Commercial Waste Terms and Conditions are available to view on line at https://www.argyll-bute.gov.uk/sites/default/files/commercial_waste_services_terms_and_conditions_feb_2021.pdf

Invoice Layout

Over the course of the coming financial year you may see a change with regards to the layout of our invoices. This change is due to a new system being implemented.

If you require any information or assistance, please email commercial.refuse@argyll-bute.gov.uk or contact customer service centre on 01546 605514 and we will be happy to help you.

Reminder – Recycle Waste

Waste Regulations introduced by The Scottish Government came into force from January 2014 which require all businesses to recycle. Further information is available on the Argyll and Bute Council website (www.argyll-bute.gov.uk) or from The Scottish Government via (www.resourceefficientscotland.com)

Thank you for your continued custom and understanding during the above changes.

Yours sincerely

Fran Millar
