Gigha South Pier Inspection, 1st and 2nd May 2019.

In Position:	Latitude: 55º 38'N Longitude: 05º 44'W

Mariners are advised that on the 1st and 2nd May 2019, Tritonia Scientific Ltd will be undertaking a dive project on the berthing structure of South Pier, Gigha.

The dive project will be undertaken from the RHIB 'Glaucus' and Flag A "Diving Operations" will be displayed at all times while divers are in the water. The dive team supervisor will monitor VHF channel 16.

The works include above and below water inspections and during this time all vessels navigating in the vicinity of Gigha Pier South are requested to maintain a look-out for the divers, proceed with caution and regulate their speed to minimise the effects of wash accordingly.
