CUAN FERRY SLIP

Mariners are advised that Aberdeen Marine Ltd will be undertaking repair works at Cuan Ferry Slipway (Seil) commencing on or about the 21st of October 2019, lasting for a period of approximately three weeks.

The Diving Supervisor will coordinate the Dive plan with the Ferry movements to ensure Divers are clear of the water prior to the Ferry entering the Cuan Sound. Flag Alpha will be flown from a predominate position and mariners should contact Aberdeen Marine Ltd on 07501 815129 (Site Supervisor) or 07825 818980 (Operations Manager) for further information as required.

Mariners are also advised to navigate at slow speed and with caution when in the area of these operations and be aware of the effects of wash and adjust their speed as required.
