### **ARGYLL AND BUTE COUNCIL (VARIOUS STREETS, LUSS) (TRAFFIC MANAGEMENT) ORDER 202\_\_**

#### **STATEMENT OF REASONS FOR PROPOSING TO MAKE THE ORDER**

The Order is required in the interests of road safety and local amenity for the following reasons:-

- Preserve and improve the amenities of the area, and improve road safety by providing new traffic management measures to support by managing inconsiderate and irresponsible parking.
- The proposal comprises a Prohibition of Driving within the core village that will prohibit all vehicles except for access to premises within that area. This will comprise mainly residents and business owners.
- The same area will be covered by a restricted parking zone within the core village that will prohibit waiting of all vehicles unless displaying a permit. Permits will only be available to residents and business owners.
- These proposed traffic management arrangements are required to be implemented to support local residents and the local economy, safeguarding access for blue badge holders, for deliveries and to maintain access for emergency services vehicles as well as ensuring road safety
- Parking (waiting and loading) will also be prohibited on the old A82 except within parking bays, which will be time restricted to provide short stay parking adjacent to Luss primary school and local shops
- Visitors wishing to stay for longer periods will be able to park in the Council's off street car park, or in a new car park to the south of the village, both situated nearby.
- Parking (waiting) will also prohibited on the old A82 from the south of Luss to its junction with the A82 trunk road does not apply to the parking area on the shore side at Aldochlay. This is to address any inappropriate parking and support road safety
