
Notice to Mariners

13.11.19

DIVING PIER WORKS CAMPBELTOWN OLD QUAY

Mariners are advised that Highland Subsea services will be carrying out dive operations on Campbeltown old quay from 13.11.19 for a period of 8 weeks.

Works will involve Diving Operations on sea wall inset berth / and inside berths inside harbour. Flag A Diving operations will be displayed at all times while divers are in the water, the dive team operator will monitor ch16. The works include under water welding and installation of anodes. During this time all vessels navigating in the vicinity of Campbeltown old quay front faces and inside harbour Campbeltown old quay are requested to maintain a look out for the divers and dive flag as dive teams could move positions daily with weather conditions. Please proceed with caution and regulate speed to minimise the effects of wash accordingly.
