## Notice To Mariners

01/21

### **Diving operations will be conducted on MV Fugro Frontier at North Pier Oban**

Mariners are advised that diving operations work will be carried on MV Fugro Frontier at the North Pier Oban, **on Friday 19/02/2021 between 0830 – 1300.**

#### Nature of works

The diving operations are being conducted as the MV Fugro Frontier has suspected fouling of one of her propulsion system. Divers will carry out a detailed visual inspection of the underwater components of the propulsion system, and any necessary works to rectify the fouling within the confines of their ability at the North Pier.

Restrictions on the use of the North Pier and the North Pier pontoons will be enforced during the diving operations for the safety of the dive team. Use of the Oban Times slip will be unaffected. Mariners are requested to proceed with caution at all times in the vicinity of the North Pier and North Pier pontoons and be aware of warning flags and VHF safety broadcasts whilst the work is underway.

Further information can be obtained from the Harbour Master on 01631 562892, VHF ch12.
